

Objective - Creative Designer/Lead

I am an entrepreneur looking for exciting new opportunities to expand my client-base and further the development of SurviveStyle Consulting, my web/graphic design and Search Engine Marketing consultancy.

Summary

Highly motivated and devoted Multimedia designer with the ability to adapt and overcome new situations and problems, specifically in advertising/marketing. Exceptional at fusing functionality with design. Expertise in graphic design and scripting lends itself to new possibilities in communications/advertisement. Skills also include group management and multifaceted project organization and execution. Not afraid to meet new challenges head on, with confidence and determination.

Accomplishments

Received the Kotterman endowed scholarship for sculpture at Bradley University
Awarded and maintained Bradley University's Campus Scholarship for my entire duration at Bradley University
Published a forty-two foot billboard for Bob Ridings Ford Dealership, Jacksonville
